3RD SUNDAY OF EASTER

April 14, 2024
Vol 24 ISS XV

3rd Sunday of Easter

The readings for the 3rd Sunday in Easter encourage us to truly believe in the resurrection of Jesus Christ and to accept his love. In the gospel the risen Jesus appears to his disciples and helps them understand his death and resurrection. These themes collectively reinforce the message of Easter as a time of renewal, hope, and spreading the Good News of Jesus Christ to the world.

Witnessing to the Resurrection

The Gospel and the first reading both highlight the importance of witnessing to the resurrection of Jesus. The disciples are called to share the news of Jesus' resurrection and the forgiveness of sins with all nations, emphasizing the role of Christians to bear witness to the truth of Jesus' life, death, and resurrection.

The Physical Resurrection of Jesus

In the Gospel reading, Jesus shows His physical form to His disciples, eating with them and allowing them to touch Him. This emphasizes the physical reality of the resurrection, countering any notion that it was merely a spiritual or symbolic event.

Jesus as Advocate and Atonement

The second reading from 1 John presents Jesus as the advocate for sinners and the atonement for our sins. This theme highlights the mediating role of Jesus between humanity and God, and the universal scope of Jesus' sacrifice, which is not limited to a single group but is extended to the whole world.
